

# NORTHWEST MISSOURIAN

NORTHWEST MISSOURI STATE COLLEGE

VOL. 48—NO. 1

Maryville, Missouri

SEPTEMBER 27, 1961

## Quiz Season Starts Soon

Campus Bowl activities will commence soon as the Quiz goes into its second season.

Sponsors of the contest have asked that all teams wishing to compete register with them by October 1. Teams and names should be turned in to Dr. Gayler or Mr. Bensusan.

Teams must consist of five members—four regulars and one alternate. Teams backed by any organization must be composed of that organization's members only. Independent teams may select members from any organization, but cannot use any name other than Independent.

The competition will be held in the Horace Mann Auditorium. Bowl time will be 4 p.m. on Tuesdays. Contests will start as soon as competing teams are scheduled.

Those working on College Bowl hope that during the spring semester NWMSC will have a varsity team to compete with other colleges in the area. A great deal of interest has been reported on the idea of inter-college Bowl games.

## Barbs Call Meet to Form Club

An independent men's club is in the process of being formed on the NWMSC campus.

Club membership is open to any male student not belonging to a fraternity. Its aim is to give members a chance to participate in elections, Homecoming, intramurals and social events.

A meeting for all those interested will be held on Tuesday, October 2, 7:00 p.m. in the South Lounge of the Union. The election of officers and other necessary business will be discussed at this time.

Work is now in progress on drawing up a constitution and establishing the organization.

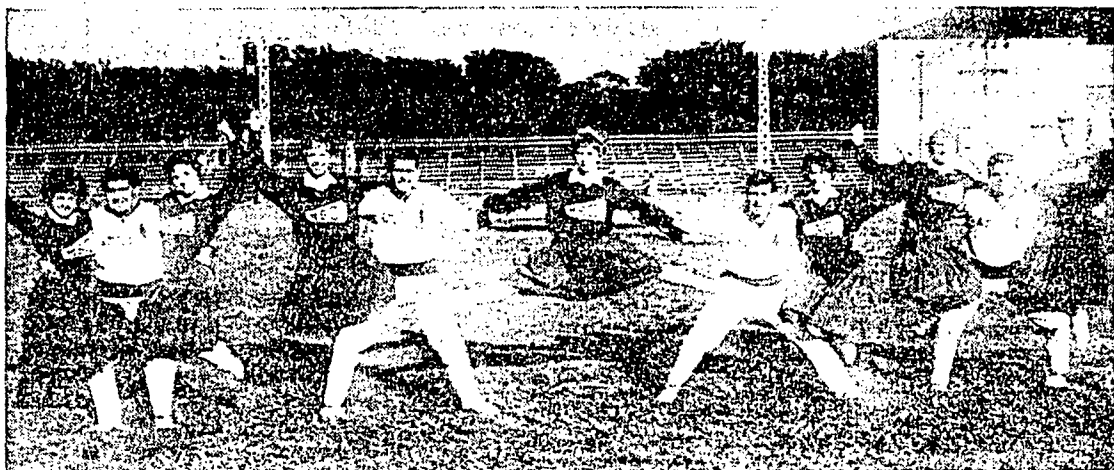

## Band Reaches Record Corps

This year NWMSC band is the largest in the history of the college.

There are from seventy to eighty students enrolled in this year's band already. Mr. C. W. Rounds, director of the band, said he would like to have approximately twenty or more low saxes, clarinets and trombones in this year's band.

This year's drum major will be J. C. Combs. Mr. Rounds has already started music groups for all tastes. Progressive jazz seems to be the popular group at this time.

Any person interested in becoming a member of the band should contact Mr. Rounds on the fourth floor of the Administration building, Monday through Friday, between 8:00 to 4:00.

Left to right: Barbara Loyd, Joe Camacho, Jane Porter, Judy Luetjen, Jerry Gilliland, Martha Gray, John Gilliland, Janice Chrisope, Marcia McElwain, Gary Heese, and Kay Bowen.

## Eleven To Lead Cheers For Bearcats

The Bearcat cheerleaders were selected on the basis of the tryouts held September 13.

The participants were judged according to their performance, ability, and contact with the audience. Judging was done by representatives of various organizations on the campus.

Rookie members of the squad are Kay Bowen, Lamoni, Iowa; Judy Luetjen, Smithville, Missouri; Gary Heese, North Kansas City, Missouri; and Joe Camacho, West Des Moines, Iowa.

Cheerleader captain Martha Gray heads the returning members of the squad, as she starts her fourth year with the team. Other veterans will include: John and Jerry Gilliland, third year; Barbara Loyd, Jane Porter, and Janice Chrisope, second year; and Marcia McElwain, first full year.

## College Staff Adds Eighteen Members

Eighteen new members were added to the staff of NWMSC this year. They include:

Mrs. Delores M. Bowles, Supervising Teacher; Mr. Edward Browning, Business; Miss Carole Clemmons, Business; Dr. Floyd G. Delon, Education; Mr. Robert Eckles, Business.

Miss Rokaya M. Hasan, Health and Physical Education; Mr. Sun M. Kahng, Business; Mr. R. R. Kennedy, Science; Mr. Jack Lasley, Dean of Men; Mr. Darrell McGinnis, Art.

Mr. Dale Midland, English; Mrs. Shela Moss, supervising teacher; Mr. David Parker, Speech; Miss Paula Parks, Education; Mr. Dean Savage, supervising teacher.

Mrs. Betty A. Sawyers, Vocational Home Economics; Mr. Don Schooler, assistant to the dean of instruction; Mrs. Mary Jane Sunkel, Business.

Five members returned after a leave of absence. These included Dr. Harry A. Gailey, Humanities; Mr. Earle Moss, Music; Mrs. Martha A. Moss, Business; Mrs. Karamaneh Oswald, Mathematics; Mr. Calvin R. Widger, Social Science.

The Faculty Dames Courtesy Committee were hostesses at a "Pot Luck Dinner" for the New Faculty Dames and their husbands, September 5.

The Faculty reception was held Sunday, September 17, at the home of President and Mrs. J. W. Jones.

## Kronkite To Speak

Walter Kronkite, CBS news commentator, will be featured in the first assembly of the year. This assembly will be held in the Health and P.E. building on October 12, 1961.

Look for further details in The Missourian next week.

## Senate Discusses Ballots, Beauties

The Student Senate held its first meeting of the year, September 21. Joe Merrigan presided at the meeting.

Business discussed at the meeting included several matters which will effect students in the near future.

### Convention Set

It was decided that the nomination and election conventions for sophomores, juniors, and seniors will be held September 27 at 4 p.m. Rooms assigned for these meetings are: seniors, CH-215; juniors, CH-301; and sophomores, CH-314.

The freshman class will hold its nomination convention at 4 p.m., September 27, at the Horace Mann Auditorium. Unlike the upper-classmen the Frosh balloting will not take place until October 4. The voting will be conducted in the lounge of Colden Hall from 8 a.m. to 4 p.m.

The first night of practice for the Homecoming Variety Show was set by the Senate for October 4, 7-9 p.m. Everyone wishing to participate in the show is urged to attend this meeting at Horace Mann.

Qualifications were also decided upon for future queen candidates. Candidates, in order to participate in any event, must qualify in the following ways. She must have no less than a C average; and she must have at least 27 hours credit, of which 15 hours must

be in residence prior to the election.

Discussion also arose on the floor of the Senate concerning the matter of freshman hazing. Marked differences in opinion were voiced; however, no definite action was taken on the matter.

The next Senate meeting will take place September 28 in the Lakeview Room of the Union.

## NWMSC Hosts Convention

NWMSC will be host to the Northwest Missouri Teacher's Association meeting which will open Thursday, October 12, at 9:15 a.m., in the Lamkin Gymnasium.

Sectional meetings will commence Thursday, October 12, at 1:30 p.m. and end at 3:30.

Thursday afternoon at 1:30 p.m. the FTA of the Northwest Missouri District will meet with the local SNEA chapter in the lounge of the Union.

An open house for teachers and future teachers will be held in the lounge at 3:30 p.m. under the direction of Miss Dixie Gomel, Social Chairman of SNEA.

## Changes Announced In English Dept.

Dr. Frank Grube, chairman of the language and literature department, has announced three, five-hour English courses, which have gone into effect this semester.

English 62 and 63 are now combined into one English literature course, English 63. American literature, formerly English 130 and 131 are now combined into English 131. Also English 102, a three-hour course, is now English 202, a five-hour course.

Dr. Grube has announced that students who have taken one semester of English or American literature and wish to complete it, should see him immediately.

Next semester English 63, a two-hour course, will be offered to complete the requirements for those students having earlier taken English 62. Likewise, English 132 will complete the American literature course English 130.

## Dr. Harr Receives Council Appointment

Dr. John Harr, chairman of the social science department, has been appointed to the Governor's Advisory Council on Historical Sites and Locations.

This council is connected with the State Park Board of Missouri and will study and discuss prospective historical sites within the state.

## Now Confusion Reigns As Names Are Changed

New signs adorn the campus this fall as the names of the buildings were changed in recognition of outstanding persons connected with the college, either in the past or at the present. Below the old names are listed, followed by the new:

Residence Hall.....Roberta Hall  
Freshman Hall.....Perrin Hall  
New women's building.....Hudson Hall  
Quad 1.....Hawkins Hall  
Quad 2.....Caufield Hall  
Quad 3.....Hake Hall  
Quad 4.....McCracken Hall  
Quad 5.....Cooper Hall  
Men's Hall.....Colbert Hall

West wing of Quad.....Wilson Hall  
South wing of Quad.....Richardson Hall  
East wing of Quad.....Cook Hall  
Classroom Building.....Colden Hall  
Union building.....J. W. Jones building  
Men's Gym.....Lamkin Health and Physical Education building  
Women's Gym.....Martindale Gym  
Library.....Wells Library  
Athletic Field.....Rickenbrode Field  
There was no change in nomenclature in the remainder of the buildings on campus.

## Students Urged To Note Changes

The Student Senate has published a Student Handbook for the '61-'62 school term.

Each student should have received one of the revised versions at Freshman orientation or at registration. Copies are available for those who did not receive one at either the Housing office or the Student Activities office.

Notable policy changes in the revision concern automobile registration, cheating, contracts for housing, and regulations for social affairs.

All students are urged to acquaint themselves with the new publication.

## NORTHWEST MISSOURIAN

Published weekly at the Northwest Missouri State College, Maryville, Mo., September through July, except during examination periods and after vacations.

Entered as second class matter, November 9, 1914, at the Post Office at Maryville, Mo., under the act of March 8, 1879.

## THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

## All the way . . .

## Tower Change Proposed

Three tests of whether or not a person is educated are: Can he entertain himself? Can he entertain another person? Can he entertain a new idea?

Are you in favor of new ideas? Here is one that is being posed by The Tower staff! That of having a year-round annual which will include the complete school year.

This year-round annual would have a complete coverage of the school events from the fall registration to the final exams in the spring. An annual such as this would make it possible to have the spring sports, dances, campaigns, and other activities in one book.

The annual, of course, would not be passed out to the students in the spring. The graduating seniors would be mailed their books during the summer. Undergraduates would receive their year-round annuals at registration in the fall.

Think about this idea and talk it over with your friends. Remember this annual would be a "complete" book of memories of your school days at Northwest Missouri State College.

## Rewards for Students

It is not too early for students to begin thinking about what they are going to do when they graduate from college. Graduate study leads to many rewards not available to people with only a baccalaureate degree.

Much financial assistance is available to graduate students. The Woodrow Wilson Foundation, for example, supports a thousand carefully selected fellows in their first year of graduate work.

These awards are generous. A fellow receives fifteen hundred dollars plus dependency allowance for wife and children, besides all tuition and fees (which are paid directly to the college he or she attends).

These awards are offered primarily to students in the arts and humanities. Other awards such as the National Science Foundation Fellowships are available to those in the sciences.

## Battle of Nerves

Berlin, Laos, and other world tension spots have taken a back seat at NWMSC as the two week war of nerves rages on. Evidence of the tactical maneuvers could be seen throughout the institution. A few of the indicators of the conflict are:

**Armament:** The students outfitting themselves with knife, fork and spoon attacking the cafeteria.

**Blockade:** The congestion in the halls of both the Colden Hall and the Administration building.

**Guards:** Those people posted at the doors of the Health and Recreation building during registration.

**Propaganda:** The opening lectures delivered on the first day of classes.

**Stalemate:** The teachers staring at students, and in turn, the students returning the look.

## Meeting of Minds

Let us hope that sometime within the next few weeks a high level conference can be held to iron out all difficulties.

## They're Talking About . . .

The parking problem . . . The little man who pickets several rooms in Roberta Hall . . . Men's Independent Club and equality of the sexes . . . Nocturnal visits to College Park . . . The parking problem . . . Too much watermelon . . . curlers in the hair . . . Police cars being rammed . . . The parking problem . . . Sailors in Roberta Hall . . . unending migrations to Roberta Hall . . . Fires in Perrin Hall . . . The parking problem . . . The "Big Fisherman" wanting to start intramural fishing . . . the new addition at the Cat Club . . . P.E. tests and sore muscles . . . The Summer . . . Next Summer . . .

## THE STROLLER

With a faced suntan, the only sign that he was absent for three months, the Stroller has returned to his dark, mysterious office, ready to resume his all-seeing, sneaky ways. Reacquainting herself with the variety of her office, and the campus as a whole, she found that there are many changes in our beloved (?) N.W.M.S.C.

On a recent trek near the Administration Building in his size 12 clod-hoppers, he noticed a rather odd-looking cement structure, which is purported to eventually be a fountain . . . Befuddled freshmen actually believe that the delay in its completion is accidental, but WE UPPER-CLASSMEN KNOW!! (The following is meant for freshman eyes only) . . . So, stupid, you think that really is a water fountain or maybe a launching pad for—(to be filled with the name of your instructor). Too, you think initiation into our choice group is the easiest it has been in many years . . . up until now, yes, But . . . WAIT!! That piece of concrete is actually a CHOPPING BLOCK!! The pool around it is for water? Of course not, it's for blood! Whose blood? You're kidding! When kangaroo court went out, this came in to take its place. Upperclassmen (and especially M-Club guys) have been keeping careful watch for those of you who insist on forgetting (?) to wear your beanies. No buttoning? Correct, but the day the green-jacketed monsters knock on your door and you are herded, along with other idiots, to meet the black garbed giant near the circle drive, you will wish your attitude had been one of greater respect!!

When the Stroller looks over the campus, it is difficult to tell a "greenie" from a real honest-to-goodness human being.

## New Intercom?

Have you noticed the new trolley tracks that run from the parking lot at the Armory to Colden Hall? The schedule calls for regular runs at 15 minutes before the hour to insure time to ascend the steps. There is only one hitch . . . with the shortage of parking space, they're having an awful time keeping people from parking on the tracks! One sports car owner even parks his "bug" in the trunk of a Chevy when there is not an extra seat on the trolley for it.

**UNENVIABLE POSITION OF THE WEEK . . .** Worker behind the counter on Monday nights during the den dances. **ENVIABLE POSITION . . .** Houseboy in Perrin Hall.

## Photo Schedule Begins Oct. 2

The schedule for class pictures has been announced by the Tower. Starting date is slated for October 2.

Pictures this year will be taken by Amos Studio in Room 106 of Colden Hall.

Senior pictures will be taken October 2-6; juniors, October 9-13; sophomores, October 1-20; and freshmen, October 23-27.

Students can have their picture taken between the hours of 8 a.m. and 4 p.m. Women are requested to wear dark clothes and refrain from wearing plaids. Men should wear suits and ties, preferably dark.

## Barrows Plans Dance Theme

Dramatic, popular, and classical music will be featured on the Sunday afternoon KNIM radio show, "Music Through the Ages."

Mr. Floyd Barrows, social science, will continue to use the same program format as has been used in the past.

The theme for the next few weeks will be "Dance Music." "Music Through the Ages" is slated to be aired on station KNIM, Sunday afternoon, directly following the professional football game.

The September 24 program consisted of "Coppelia" by Delibes, and "Firebird Suite," by Stravinsky.

The October 1 program will include "The Incredible Flutist," Piston; "The Sleeping Beauty," Tchaikovsky; and "Les Patineurs," Meyerbeer. A weekly preview for the show will appear in the Missourian.

End—but no  
space—in sight

The parking situation should be under control well before the end of the first semester, Dean C. E. Koerble told a Missourian reporter.

A new lot is being constructed by the bus barn. Lots are being resurfaced. Funds are appropriated for the construction of other areas.

The registering of cars for apportioning parking is, of course, a favor done for the students by the administration since this gives everyone an equal chance to a park-space.

But, the Dean pointed out, the student who drives and expects to park must share some responsibility.

He is concerned about the student who feels he can park where he pleases, even in driveways and firelanes.

Such students will be given little consideration or sympathy at the student traffic court, the Dean believes.

Dr. Koerble emphasized that all cars must be registered.

The student who parks on campus and fails to register is subject to a five dollar fine. Grades and transcripts are withheld until such fines are paid.

The student who owns a car but does not make use of the parking areas should register his car; there is no fee for this type of registration.

The Dean also pointed out that there is no open season on students or faculty members making use of marked crossways.

## Test Program Is Extended

NWMS has been asked by the Educational Testing Service of Princeton, New Jersey, to participate in a series of SCAT-STEP tests.

These are an extension of tests used in the Freshman Orientation Program, and will be tested on the senior and junior college level.

Twelve junior women and twelve junior men will be asked to participate at this time. The students will be chosen by random selection and an evening test will be taken between October 16 and 19. The tests last about 1½ hours.

The results will provide the student with a progress comparison of his freshman orientation achievements. The testing service also wishes to establish reliable forms and norms at this college level.

## Five-Ten Block Plan in Effect For Secondary

The block system of student teaching is now in use in the program of NWMS for the first time.

The ultimate plan, according to Dr. Milan Dady, is for students to take specialized courses on campus for five weeks and then go off campus for ten weeks.

During the ten weeks it is the hope that the student teachers will live in the community in which they teach.

Those students who cannot participate in the full block system will take part in the two hour block system, which is the minimum program.

The block system is used only by secondary majors. The elementary majors will still student-teach on campus.

## Dr. Koerble, Mr. Peel Appointed to Wilson Fellowship Committee

Dr. Charles Koerble and Mr. D. F. Peel, English department, have been reappointed to represent the Woodrow Wilson National Fellowship Education Foundation on campus.

The Woodrow Wilson Fellowships are awarded for first year graduate study in the humanities and social sciences for the purpose of training college teachers.

Nominations for the fellowships must be made before October 31, 1961.

Students interested in going on in graduate study may apply directly to Dr. Koerble or Mr. Peel. Faculty members may submit names of students to the committee also, according to Mr. Peel.

The committee is planning a dinner for departmental chairmen.

## 8 Representatives From Roberta Hall

AWS Representatives from each floor of Roberta Hall were recently elected. Those who were elected are:

Kathy Swaboda and Carolyn Holst, ground floor; Dorothy Hauser and Julia Elmore, first floor; Dixie Gomel and Connie Stoops, second floor; and Pat Dunham and Joyce Iwen, third floor.

## LITTLE MAN ON CAMPUS

"NOW WHY CAN'T TH' REST OF YOU GUYS HIT HARD IN THERE LIKE WITZSKY, HERE?!"

## Combs Selected Prexy Of Music Conference

J. C. Combs was elected president of the Music Educators National Conference during their first meeting held Wednesday evening, September 20, 1961.

Other elected officers were: Olive Smith, vice-president; Kathy Kinnick, secretary; and Ken Lucas, treasurer.

Dick Bateman was appointed reporter.

Priscilla Specht, Donna Theis, Bob Reck and Chuck McDonald were named to the program committee.

The MENC holds its meetings every third Wednesday evening.

## Drama Season Opens With College Story

Diane Hunt and Jim Hurly will play the lead roles in *Tall Story*, the drama department's first offering of the season.

The play is scheduled to open October 26.

Setting for the comedy is Cu or college, a medium-sized institution in the Middle West.

Miss Hunt will play the role of June Ryder; Hurly, of Ray Blent, a college basketball star.

## Delta Zetas Hold Welcome Back Party

Delta Zeta sorority held a pizza party Friday, September 22, in the recreation room of Roberta Hall.

The party served as a welcome-back gathering for the Delta Zeta's and their dates. Several pizzas were prepared and entertainment was provided by the various members.

## Air Force Reserve

Attention Air Force mandatory trainees interested in joining a reserve unit. There is an opportunity to join a pay status group with no danger of recall. Any interested Air Force Veteran, especially six month men, are urged to contact either Dr. George Gaylor, or Gene Younger at College Heights.

## Mr. Dieterich Attends State Meeting

Monday, September 25, Mr. H. R. Dieterich, education department, attended the meeting of the Missouri State High School Activities Association Board of Control.

This group governs the State High School Activities Association.

Mr. Dieterich is president of the board of control.

Mrs. Dieterich accompanied him.

## Dr. Gailey Speaks To College Profs

Dr. Harry Gailey spoke to the first meeting of the American Association of University Professors, Tuesday, September 26. The subject of his talk was "The British Educational System."

The business meeting was preceded by a potluck dinner in the Lakeview dining room. Dr. Katherine Riddle is president of the organization to which more than half of the college faculty belong.

## Chalk Talk . . . Bob Cobb

We extend a hearty welcome to all newcomers on campus. In addition to being a fine institution of higher learning, NWMSC has an athletic tradition that any new student or old alumnus can be justifiably proud.

Now this may sound like a lot of rah-rah jazz, but we've the facts to reinforce our statements.

Were you aware that in the past athletic season of 1960-61 that the Bearcats were engaged in at least fifty intercollegiate games and matches (these including football, basketball, wrestling, and baseball)? The 'Cats came out on top in 31 of these contests. The winning percentage here is nifty .620 and as the "Old Rancher" would say, "Podnah, that's purty fair country pitchin'."

Besides this winning percentage, only one Bearcat varsity team wound up lower than third in the rough and rugged MIAA conference races.

If that's not enough facts and figures, it might be interesting to note that seven NWMSC athletes that we can think of were named to MIAA all-conference squads.

John Bregin, MIAA Tennis Champ; Jerry Mezarich, all league forward; Dick Clark, second team MIAA guard; and Dave Moore, winner of the Outstanding Wrestler Award in the AAU tourney last year return this year to give our varsity squads a fine nucleus upon which to build.

In addition to varsity competition, NWMSC boasts an intramural program that won't take a back seat to that of any college.

So to you freshmen and other newcomers we welcome you and urge you to support the Bearcats in all sporting endeavors. By doing this, the athletic heritage of NWMSC will continue to be one of which we can all be proud.

## Girls Intramurals To Start Soon

The Women's Intramural Council held its first meeting September 25, in the Martin-dale Gym.

The semester activities were organized. Heading the group is Carolyn Everly, council chairman, with Joy Coutts and Marion Smith, co-chairmen.

The heads of the special divisions are Betty Jo McDaniel, basketball; Linda Cunningham, competitive swimming; and Cicily Spicer, bowling.

## Tankers Show Much Progress

Early plans are being laid for the 1961-62 Bearcat swimming season.

According to Mr. Guy Bensusan, Maryville swimming mentor, six varsity meets have been scheduled, and several more are in the planning stages.

Actual swimming practice will begin in December, but many of the paddlers have begun conditioning for competition by swimming and diving during recreational pool hours. A meeting for all men interested in trying out for the Maryville State team will be called by Coach Bensusan at a later date.

### Marked Improvement

Intercollegiate swimming began in 1959 for Maryville in the form of a swimming club, sponsored by the college. The club competed with regular college teams. Out of four meets that year, the Bearcats were outscored by 130 points, 254-124. A tremendous reversal occurred the following year when the team became an official varsity squad on campus. They outclassed their opponents 348-297 out of seven meets, earning a 4-3 record.

As is understandable, after having made such progress in one season's time, the water-crew has high goals and will be shooting for the top this winter.

### Present Schedule

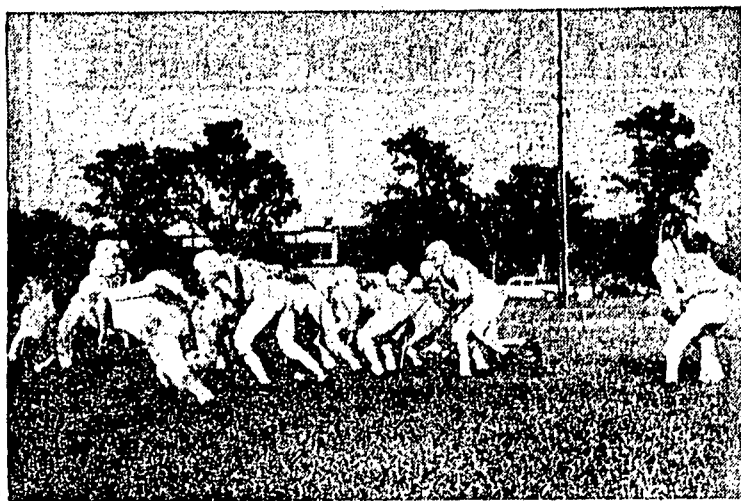

MSC at Lexington—Thursday, January 11.  
MSC at Warrensburg—Saturday, January 20.  
Pittsburg at MSC—Saturday, January 27.  
Wentworth at MSC—Thursday, February 1.  
Warrensburg at MSC—Saturday, February 17.  
MSC at Pittsburg—Saturday, February 24.

Volleyball teams will not be set up during this semester, but will be next semester.

The intramurals are open to all girls. Organizational membership is not necessary for participation. A health check-up is required.

Anyone can organize a team and should have the captain act as a representative at the Intramural Council meeting. An organization may enter only two teams. Other teams of that organization must act as independents.

Anyone not on a team, but wishing to participate, should contact the division head.

The Bearcat gridgers brush up on their fundamentals during this varsity scrimmage in preparation for the Fort Hays game.

## Bearcats Edge Ft. Hays, 17-16, to Win Home Opener

Combining a varied ground offense and a rugged defense, the Northwest State College Bearcats edged the Ft. Hays, Kas., Tigers 17-16, Saturday night in Memorial Stadium, for their second win in two years over the Kansans.

It was the 1961 home opener for the Bearcats, and some 2,000 people sat through a rainy night to see the game.

Now 1-1 for the season, Coach Earl Baker's charges will work this week to prepare for a game with the William Jewell Cardinals at Liberty next Saturday. The Cards edged Maryville State 9-7 here last year by virtue of a late field goal.

Maryville's win on a muddy field actually came through two key defensive plays.

First of all, Harold Gentry, key punter, spot-kicked a punt out of bounds on the Ft. Hays 2-yard line in the second period.

Boyd carried 24 times for 58 yards in the game; Cline 7 for 77; Don Daniels, 5 for 13; Freeman, 8 for 30; and Early, 10 for 36.

Key players on defense were backs Mickey Howard, Jack Rogers, Early and Freeman, who played a top game at safety.

Outstanding on the line were defensive end Ed Whitaker and Jerry Howard, guard.

Baker, smiling happily that his second Bearcat team won against Ft. Hays, said, "One point is as good as a dozen in the record book."

He then became concerned and stated that "we will have to get ready for William Jewell's passing attack. They've got one, but I've got to check scouting reports to see how to set up our defensive plans."

## Aerial Attack Stops Bearcats In Grid Opener

In the football season opener, the Bearcats met with and fell to (49-0) Northern Illinois U. According to Sports experts NIU boasts one of the best passing attacks of the mid-western colleges.

Their highly touted quarterback, Tom Beck, lived up to his ratings as he led the Huskies to a touchdown on the first play from scrimmage.

The aerial onslaught continued as passes accounted for two more touchdowns and set up three others.

Although the pass defense proved quite inadequate, the Bearcat defense held quite well against the 'Huskies' rushing offense.

### Brighter Side

On the lighter side of the ledger, the Cats showed a fine rushing and running offense.

Evidence of the 'Cats' ground-gaining abilities were the eleven first-downs they garnered.

Joe Bell and Prime Williams chalked up yardage on end sweeps on several occasions.

New starters such as Tom Walton and Jerry Howard did commendable jobs on the defensive squad.

Although they were humbled 49-0 in last week's contest Coach Baker and 'Cat gridsters felt that they were capable of playing far better ball than indicated in the Northern Illinois game.
